IMPERIAL-SOFA

A photograph of a highly ornate, white and gold sofa with a matching coffee table, set outdoors at night. The sofa features intricate gold scrollwork and a large, rounded backrest. It is adorned with several pillows, including a large white one and a smaller blue one. The coffee table is also highly decorative with a gold, lattice-like pattern. The scene is illuminated by warm, ambient lighting, possibly from string lights visible in the background, creating a romantic and elegant atmosphere. The background consists of dark, leafy trees.
